- Date/Time
- User ID
- Access Type
**Call 800.344.1323 to learn how your facility will:**

**COST DOWN**

## Save time for providers, staff & support teams

## Save dollars for administration

# About Arrendale Associates, Inc.

Arrendale Associates supplies interoperable clinical documentation solutions to healthcare customers in the U.S., U.K., Ireland and India. Hospitals, physician practices and health systems benefit from Arrendale's modular software by reducing costs and improving documentation efficiency with integrated nVoq speech recognition, customizable workflow and EHR compatibility. Arrendale's Transcript AdvantagePlus platform is cloud-based, customized for each user and supported by our US Support Center. Arrendale MTSO transcription service partners assist providers and therapists with speech editing and full transcription, eliminating integration projects. Premise deployment available if preferred.
